

SARAS ??

Welcome to SARAS !! This guide will help you understand how to use the website to its full potential, whether you are a creator, buyer or just exploring.

1. Introduction

SARAS is a user-friendly platform designed to showcase handmade crafts and art. It allows creators to display and sell their talents without needing a business profile or professional experience. Think of SARAS as your online craft fair—simple, creative, and empowering.

2. Key Features

- **Showcase Your Creations:** Upload and list your handmade crafts for a wider audience.
 - **Direct Buyer Interaction:** Buyers can directly contact sellers to purchase crafts.
 - **Favourites:** Save crafts you like to your favourites list.
 - **Secure Platform:** No middlemen, direct dealings between buyer and seller.
 - **Simple and Intuitive Design:** No complex procedures—just create, upload, and connect.
-

3. Getting Started

For Creators

1. **Sign Up:** Register by providing basic details like username, email, and password.
2. **Login:** Use your credentials to log in.
3. **Upload Crafts:**
 - Go to the **Upload Crafts** section.
 - Add details like title, description, price, quantity, and category.
 - Upload images of your craft.
4. **Manage Crafts:**
 - View, edit, or delete your listed crafts in the **My Crafts** section.

For Buyers

1. **Browse Crafts:** Explore a wide range of crafts displayed on the homepage.
 2. **Save to Favourites:**
 - Click the heart icon to save crafts you like.
 - Access them anytime in the **Favourites** section.
 3. **Contact Sellers:**
 - Click the **Buy** button on a craft card.
 - Seller details will appear on the same card for direct communication.
-
